MERCURE VINTAGE

REGIONAL

Mercure Weinlese is sourced directly from native wine growers – a bold concept that perfectly captures the essence of the times we live in.

PROFESSIONAL

Mercure Weinlese is served by highly skilled waiters that we have trained in collaboration with the German Wine Institute.

Down to earth

Great quality need not be excessively expensive: at Mercure, you can enjoy specially selected wines at attractive prices.

Participation

Our guests play an important role in the selection: Le Club AccorHotels members help to choose the wine menus at the annual final tasting.

VARIETY

Mercure Weinlese has something for all tastes – everyone is sure to find their favourite wine.

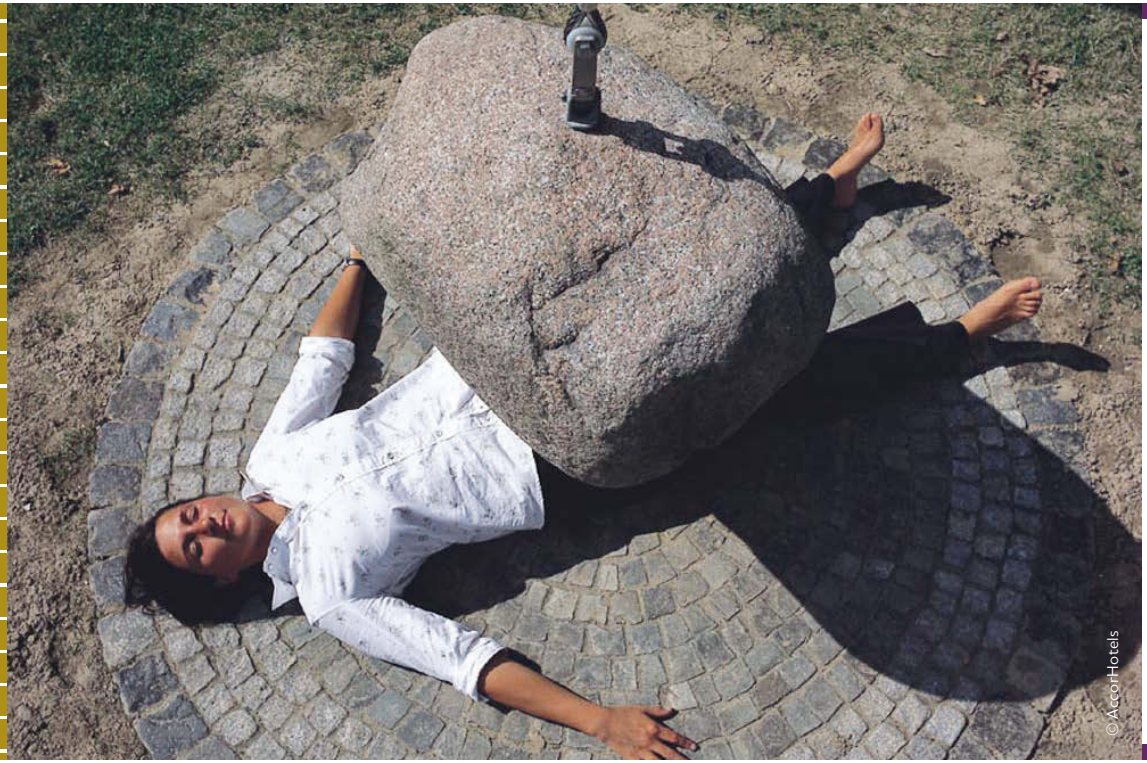
TRAINING INCENTIVE TEAM BUILDING

Our K4 Academy for special training.



The K4 Academy at Mercure Tagungs- & Landhotel Krefeld provides a unique range of training options and activities. These address all four dimensions of the human experience „head – mental" „heart – social", „soul – spiritual" and „body – physical".

This means we can offer your participants, guests or staff a balanced experience – because anyone seeking good professional productivity without the burn-out has to strike a healthy energy balance.

Those present tap into all four dimensions of their experience so they will then also be able to use what they have learnt more easily in their professional and private lives.
