Our Inspired Wedding Planner is two steps ahead of you all the way. Your wish is our command right down to the color of the rose petals that fill your Jacuzzi or form a love-heart on your bed. HOSPITALITY WITH A FRENCH ACCENT

Sofitel offers sophistication with an unmistakable French accent. It starts with a smiling “Bonjour!” and a welcome glass of French Champagne on arrival. Subtle details include the Sofitel Scent, a blend of jasmine, ginger lime that lifts your spirits and eases you into the magnifique environment that is Sofitel Kunming.

Spend a few hours of “me” time exploring Kunming’s rich and varied heritage. Immerse yourself in several centuries of history only a few steps from the hotel as you explore the living museum that is Kunming. Forts, churches, handsome villas, modest shops and tiny private houses stand alongside grandiose government buildings all speaking volumes about other eras.
