2,000	<b>FEVER TREE INDIAN TONIC - 120</b> Our Premium Indian Tonic water uses a handful of different botanicals, including our distinctive natural quinine and oils from Mexican Bitter Oranges, to give a uniquely clean and refreshing taste and aroma.
3,500	<b>FEVER TREE SICILIAN TONIC - 120</b> By using a process called sfumatrice, normally only employed by expert perfumiers, we are able to take both the oils from the peel and the juice from the fruit of our Sicilian lemons to create a sweeter, more rounded and delicate flavour.
4,000	<b>FEVER TREE GINGER BEER - 120</b> A distinct, fresh ginger taste predominates. It is refreshing and clean-tasting without being overly sweet. As the liquid passes through the palate, the ginger will fill the whole mouth, leaving a warmth at the back of the throat.
3,000	<b>FEVER TREE MEDITERRANEAN TONIC - 120</b> We use less quinine in our Mediterranean Tonic which, with the addition of rosemary and lemon thyme, produces a much lighter, more fragrant tonic.
3,000	<b>FEVER TREE LIGHT TONIC - 120</b> Our Refreshingly Light Indian Tonic Water uses a handful of different botanicals, including our distinctive natural quinine and oils from Mexican Bitter Oranges, to give a uniquely clean and refreshing taste and aroma.
3,500	<b>FEVER TREE ELFERFLOWER TONIC - 120</b> The delicate and sweet flavor of elderflower is perfectly balanced by the soft bitterness of the quinine, which pairs perfectly with fresh and floral gins and premium vodkas.
