INSPIRED EVENTS: PERSONALISATION IN EVERY DETAIL

In all the best fairytales the prince and princess fall in love and live happily ever after, but no one explains how they manage to avoid getting stressed out over all the 1001 details for a perfect wedding day.

Classic French-style hospitality is about getting the details right. We can't find you a fairy godmother with a magic wand, but we can provide someone even better -- our Inspired Weddings Planner for whom all things are possible.

Our Inspired Weddings Planner is two steps ahead of you all the way. Your wish is our command right down to the colour of the rose petals that fill your Jacuzzi or form a love-heart on your bed. Everything is done the way you want it, from lining up the right hairdresser, make-up artist and photographer to making last-minute adjustments to your veil or wedding gown. On your great day all you need to do is relax and be happy, serene in the knowledge that everything will happen according to your dream.

典雅的氣派場地

獨特的堤畔露天景緻，連接著雅緻的宴會廳；你的婚宴將在亞洲得天獨厚的浪漫天地下進行：流水、夕陽、繁星及漁船歸航等自然景像將為你倆的愛情作見證歐式的建築外牆更為婚紗照留下永恆倩影；別具情調的雞尾酒派對或隆重的囍宴，將是你們幸福滿滿的舞台。

CELEBRATE IN STYLE: FAIRYTALE VENUE

With its private outdoor terraces connecting directly to one of the prettiest function rooms in town, Sofitel Macau offers much more than a *magnifique* venue that inspires all kinds of romantic celebrations. Sunset, twinkling lights of the fishing fleet reflected in the waters of the Pearl River, candles, rose petals... Life is truly *romantique* at Sofitel. You can even make this venue for your pre-wedding photo shoot and honeymoon as well as your wedding celebration!

HOSPITALITY WITH A FRENCH ACCENT

Sofitel offers sophistication with an unmistakable French accent. It starts with a smiling "Bonjour!" and a welcome glass of French Champagne on arrival. Subtle details include the Sofitel Scent, a blend of jasmine, ginger lime that lifts your spirits and eases you into the *magnifique* environment that is Sofitel Macau.

Spend a few hours of "me" time exploring Macau's rich and varied heritage. Immerse yourself in several centuries of history only a few steps from the hotel as you explore the living museum that is Macau. Forts, churches, handsome villas, modest shops and tiny private houses stand alongside grandiose government buildings all speaking volumes about other eras.

THEMES AND VARIATIONS

To fire up your imagination we suggest a French wedding *à la Sofitel*. We pride ourselves on our authentic French cuisine, our cellar of fine French wines and champagne. Our presentation and service style are typically French in their polish and attention to detail. Unique French touches include the personalised bonbonnière at each place setting and the French Wishing Tree at the entrance for guests to attach their blessings for your future happiness. A traditional Chinese wedding is also available, from the red Phoenix & Dragon bedclothes and Double Happiness symbols, not forgetting outstanding Chinese fare for your wedding banquet, everything with a subtle French accent to make it truly outstanding. And if you would like an eclectic mix of décor and food to reflect something of Macau's unique history, we can arrange that and more.
