INSPIREDMEETINGS™ CONCEPT

Description

INSPIREDMEETINGS™ is a Sofitel's meetings concept which combines the latest conference technology with a passion for excellence. Each aspect of our guests' meeting is individually tailored with a dedicated team of personal InspiredMeetings™ planners, concierges and chefs, planning the perfect event from the lighting, decor, flower arrangement to culinary delights and refreshments.

GREEN MEETING PACKAGE

Description

To further our commitment in Cambodia we recently launched with local partners a green meeting package.

Our core concept being to combine luxury and sustainability, by using recyclable material and promoting locally grown and sourced products and services.

Our Green Meeting package will include an Organic Welcome Drink blended from Lemongrass growing in Sofitel's own onsite nursery, energy savings lights bulbs, no plastic containers. As well as local cultivated coffee from Mondulkiri and our innovative waste glasses made from recycled wine bottle, produced here in Cambodia.
