WEDDINGS

AN UNFORGETTABLE OCCASION

AT CASTLE HOTEL WINDSOR

Sitting majestically on the quintessentially English High Street, the elegant Castle Hotel Windsor offers a stunning blend of the traditional and the contemporary. As one of the most elegant buildings in Windsor, the hotel has been lovingly transformed to preserve all the flavour and elegance of the hotel's rich past, and to provide a dream backdrop for your wedding day.

Starting life as a humble inn in the 16th century, it grew to become The Mermaid in the mid-1600s then gained a Royal Warrant a hundred years later, making it an official posting inn. Renamed The Castle after a century of success, the hotel was soon regarded as one of the finest in the area, a reputation it retains today more than ever. If you are looking for a venue with imagination and flair, this is the perfect choice. Our graceful ballroom can accommodate up to 260 guests, making it the largest in Windsor.

Contact our experienced wedding planner to discuss your special day and our exceptional hotel will provide the charm, the character and the perfect setting.

TESTIMONIALS

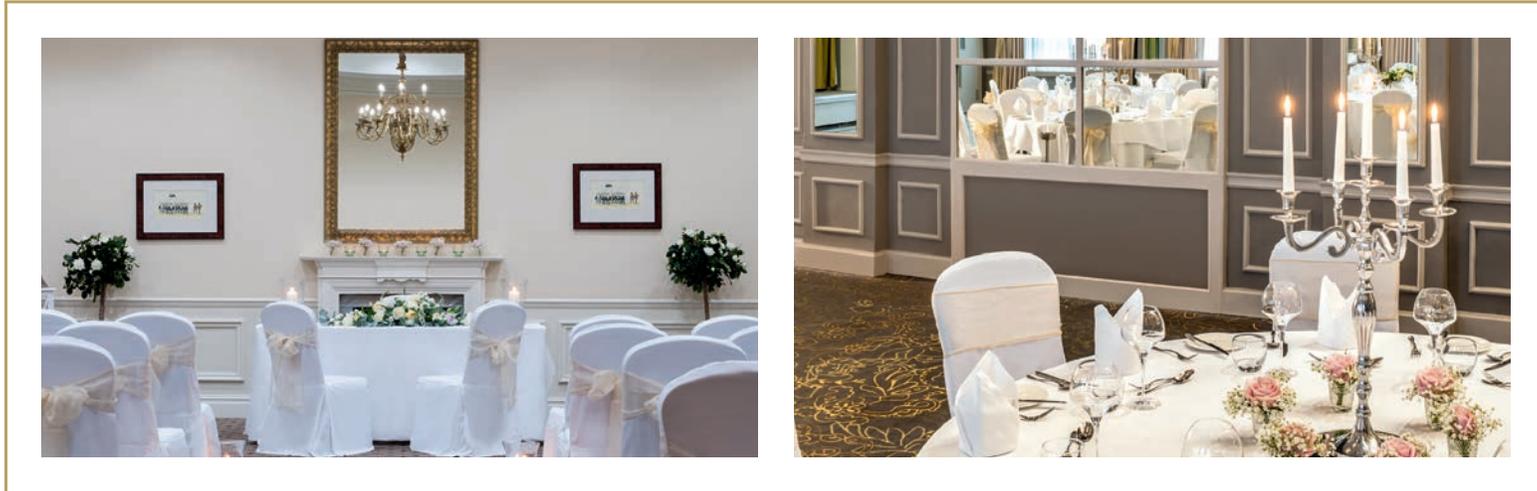

A WORD FROM OUR HAPPY COUPLES

“ We have just had the most magical wedding! The venue was beautiful and the staff could not have done more or been more helpful. Thanks again for everything – you have helped to create lifelong magical memories for all of us. It was an absolutely fantastic day. The catering was brilliant, the drinks free-flowing, the hotel staff attentive and professional, and the whole turnover of the room throughout the evening was amazing! Our families and friends haven't stopped raving about the wedding yet! It was the best day of our lives and so many of our guests said it was the best wedding they had ever been to. Everything went so smoothly, the food was outstanding and everything was exactly as we wanted. ”

“ Chris and I just wanted to say a huge thank you for everything you did to make our day as amazing as it was! Victoria, you were so accommodating throughout the planning stage and made sure everything was organised to a T! And Namit, you were so helpful on the day, making sure everything went as planned, and even providing a little fire fighting when it was needed! All your serving staff should also be commended for their professionalism and care when serving our dinner. And the chefs for the amazing meal! I could go on... We could not have wished for a better group of people to be in control of such an important day and we will always fondly remember what you all contributed. Thanks again! ”
