Tradition meets trend amidst the non-stop buzz of vibrant Bangkok. The city’s first truly urban design hotel: A place where everything converged - cultures, fashions, flavours, people.

Overlooking the verdant green of Lumpini Park, steps away from Bangkok’s buzzing nightlife and shopping districts, rises Sofitel So Bangkok. A bold statement of art and design. The result of a one-of-a-kind collaboration between an award-winning architect and five of Thailand’s leading designers. Experience The Five Elements - Water, Earth, Wood, Metal, Fire - each re-interpreted to form a fusion of sensations. Drawing on the mysteries of The Five Elements is the Tree of Life, an iconic emblem created by world-renowned designer, Monsieur Christian Lacroix.

Modern and distinct, the 238 rooms and suites offer four styles of design, inspired by the elements of Water, Earth, Wood and Metal. Select a space that reflects your mood as you celebrate your special day; all equipped with a big ultra, cosy MyBed™ and high-tech features, including Apple Mac mini solution system. A So Studio room comes as standard with most wedding packages. Or splash out on a Suite, Loft or VIP room for the ultimate night of dreaming.
