INSPIRED BY HER

Sous vide Chicken, spätzle, zucchini, tomato and paprikash sauce 33

This beautiful dish is inspired by Eve Schwartz, co-founder of the Schwartz Family Co (owner of this and a collection of hotels across Australia).

Eve was born in Hungary and escaped during the Russian revolution, with her father in 1950 to make a new life for themselves. First with her husband Bela, and then supported by her son, Eve increased the family's hotel portfolio.

With love and respect for so many people around her, Eve has left all those who knew her the wiser and richer for having her in their lives.

Her philosophy "to never let adversity stop a person from striving to improve their lives" is an inspiration to all.
