VODKA

The name Vodka is derived from the Russian phrase, 'shizennia vodka', meaning 'the water of life'. It was later affectionately shortened to 'vodka', which translates to 'dew little water'. While it is debatable but generally agreed that Vodka originated in the fourteenth century, it gained popularity only during the Russian Revolution of 1917.

RUM

When the Spanish settled in the West Indies, they noticed that molasses in sugar factories were fermenting naturally, and they began to distil rum from the sticky molasses. Experts argue about how rum got its name but the favourite is that it was derived from the slang 'rumbullion', which described the drunken riotous conduct often caused by rum.
